Three Artists/Three Towns

Nancy Whorf Provincetown • **Brenda Horowitz** Truro

• **Peter Watts** Wellfleet

"Although Brenda Horowitz, Peter Watts and Nancy Whorf are inspired by the Cape and nature's wonders, their paintings explore different approaches, each offering a distinctive view. (Brenda Horowitz)...creates vibrant and dramatic landscapes of Cape Cod, which simmer with hot shades that rhythmically pulsate. (Nancy Whorf's)...pictures are alive with sumptuous colors. Thick strokes of the boldest of reds, greens, blues and yellows flutter across her compositions. (Peter Watts)...is fascinated by nature's subtleties...the patterns in nature. (His)paintings express a sense of calm and a connection to nature that reveal his devotion to it, something all three artists convey in their work."
