NAUGHTY NINETIES

**Our celebration of four Provincetown-affiliated artists
now on the cusp of 90!**

**VARUJAN BOGHOSIAN, CARMEN CICERO
EDWARD GIOBBI, GLORIA NARDIN**

June 10 - July 10, 2016

Berta Walker Gallery in Provincetown is delighted to present a unique exhibition of works created by artists now in their nineties, or turning ninety this summer!

Walker notes, "While I was fussing around scheduling exhibitions for Boghosian's 90th Birthday, Boghosian was carrying on about how so many of his artist friends were ALSO turning NINETY, and thus this very special show, "Naughty Nineties" was born!"

All affiliated with Berta Walker Gallery, these artists have been friends for many years and have been living in or working on the Outer Cape since their early twenties. Each has a unique perspective in their work, but all have one thing in common: the drive to be creating as exciting and strong work today as they have for the better part of seventy years!

"Recently, I stumbled on to this Aldous Huxley quote that seemed to beautifully exemplify the spirits of all these artists," notes Berta Walker. "'The secret of genius is to carry the spirit of the child into old age, which means never losing your enthusiasm.' To my mind, all these artists are doing so with great aplomb, acknowledging older age as being out there, but still very far down the road."
