Collection African sculpture

"Berta Walker's gallery mission is voiced in the motto that has guided her over the years, 'Presenting the History of American Art as seen through the Eyes of Provincetown'. She aims for nothing less than documenting the role that artists associated with Provincetown have played in the major movements in American art...making the past vital to the living artists she represents, replenishing the present with a curatorial finesse that is highly regarded."
 Andre van der Wende, Provincetown Arts
